

EXCITING NEW VENTURE FOR EALING BUSINESS SECTOR: THE COMPLETE PERSONNEL PACKAGE

the complete personnel package

Rosanna Henderson our Ealing based Personnel, Training and Development consultant, wants to let everyone know about her exciting new venture with Louise Taft of JR Jones Solicitors.

Rosanna and Louise are convinced that by combining their professional forces they can offer an even more effective service and will be working in partnership to offer a complete personnel package to their clients.

As Haven Green Directory readers know from her monthly advertisement, Rosanna is an Ealing based Personnel and HR Consultant helping local businesses sort out their Personnel, Training and Development needs. Louise is a solicitor at Ealing firm JR Jones, specialising in Employment law.

Rosanna and Louise offer you a complete personnel package, utilising their combined knowledge, skills and expertise. Rosanna offers employers a “Healthcheck” looking at structures and procedures they need to put in place to keep their employees productive, motivated and happy. Louise helps employers stay compliant with the law by ensuring the correct contracts and policies are in place and up to date. Louise also helps employers deal with disciplinary issues as required, ensuring employers are best equipped to avoid potential claims by their employees. Rosanna is also able to offer training and facilitation to aid staff retention and development.

Rosanna and Louise are really excited about working in partnership and now being able to offer a complete personnel package.
